**INVESTMENT OBJECTIVES:**

Please read the below investment objectives and check all that apply:

- Speculation**  
I am willing to accept maximum risk to my initial principal to aggressively seek maximum returns, and understand I could lose most, or all, of the money invested.
- Growth**  
I am willing to accept high risk to my initial principal, including high volatility, to seek higher returns over time, and understand I could lose a substantial amount of the money invested.
- Income**  
I am willing to accept some risk to my initial principal and tolerate some volatility to seek higher returns, and understand I could lose a portion of the money invested.

**INVESTMENT OBJECTIVES: (CONT.)**

**\_\_\_ Tax Advantage**

I am willing to accept low risk to my initial principal including low volatility, to seek a modest level of portfolio returns.

**\_\_\_ Safety of Principal**

I want to preserve my initial principal, with minimal risk, even if that means this account does not generate significant income or returns and may not keep pace with inflation.

**\_\_\_ Other**

Please use this space to describe.
